

DO IT YOURSELF INSTRUCTIONS FOR CLEANSING YOUR HOME AND PROPERTY AND YOURSELF.

DO IT YOURSELF INSTRUCTIONS FOR CLEANING YOUR HOME, PROPERTY AND YOURSELF.

You find deliverance prayers, either online or in a book. Please see below: "Deliverance Prayers". You go to a Catholic Church and get some holy water to clear yourself and your home. (I say this because Holy Water for anyone's use is always available at a Catholic Church and anyone can enter a church and fill a bottle and go without question or explanations) Protestant or not, religious or not, use it. Blessed water has been used for exorcism in every baptism since Christ died and rose again. It's not a "Catholic" thing, it's a Christian thing. Get some salt, any kind of white salt. God used it all through the Old Testament and New. Get some Extra Virgin olive oil, pray a blessing over it or you can also use anointing oil. Ask your pastor or minister to bless it if you wish, or, if you're Catholic, ask your Priest to bless your water, oil and salt with an Exorcism blessing. (Blessing prayers are on their own page.)

Exorcised water, oil and salt are the preferred items to use. These must be exorcised by a legitimate priest or minister to be truly exorcised. The reason they are more effective is that "being exorcised", they cannot be used in rituals or ceremonies where witchcraft, sorcery or devil worship is used. They will stop the magic, sorcery or demonic from using them. They carry the exorcism through the authority of Jesus Christ and will always have the power to exorcise. Always.

Catholic Prayer for Deliverance

My Lord, You are all powerful, You are God, You are Father. We beg You through the intercession and help of the archangels Michael, Raphael, and Gabriel, for the deliverance of our brothers and sisters who are enslaved by the evil one. All saints of heaven, come to our aid. From anxiety, sadness, and obsessions, We beg You: Free us, O Lord. From hatred, fornication, envy, We beg You: Free us, O Lord. From thoughts of jealousy, rage, and death. We beg You: Free us, O Lord. From every thought of suicide and abortion. We beg You: Free us, O Lord. From every form of sinful sexuality. We beg You: Free us, O Lord. From every division in our family, and every harmful friendship. We beg You: Free us, O Lord. From every sort of spell, malefice, witchcraft, and every form of the occult. We beg You: Free us, O Lord. Lord, You Who said, "I leave you peace, my peace I give you," grant that, through the intercession of the Virgin Mary, we may be liberated from every evil spell and enjoy Your peace always. In the Name of Jesus Christ, our Lord. Amen."

Protestant or Catholic Prayer for Deliverance

In the name of the Lord Jesus Christ, by the power of his cross, his blood and his resurrection, I bind you Satan, the spirits, powers and forces of darkness, the nether world, and the evil forces of nature.

I take authority over all curses, hexes, demonic activity, and spells directed against me, my relationships, ministry, airspace, finances, and the work of my hands; and I break them by the power and authority of the risen Lord Jesus Christ. I bind all demonic interaction, interplay, and communications between spirits sent against me, and send them directly to Jesus Christ for him to deal with as he wills.

I ask forgiveness for, and denounce all negative inner vows that I have made with the enemy, and ask that Jesus Christ release me from these vows and from any bondage they may have held in me. I claim the shed blood of Jesus Christ, the Son of the living God, over every aspect of my life for my protection. I pray all these things in the precious name of my Lord and Savior, Jesus Christ. Amen.

DO IT YOURSELF INSTRUCTIONS FOR CLEANSING YOUR HOME AND PROPERTY AND YOURSELF.

Sprinkle a few grains of salt in every corner of every room in your home. (If you vacuum it up while cleaning, just reapply as you're vacuuming. Sprinkle or spray Holy Water on every wall, floor and ceiling (including closets and baths) in your home, and use blessed oil to seal your home and yourself with the sign of the cross on the outside and inside of each door and in the center of your own forehead. **(For cleansing homes I mix the exorcised salt with water in a 'clean' (preferably new) spray bottle and spray each and every corner in the house, including closets, water heater rooms, furnace rooms, and also one spray in the center of the floor of each room and once on the ceiling. That way you have no salt on your carpets and when the water dries, the salt remains. The exorcised salt makes the water exorcised water also.)**)

In certain cases where heavy 'religious type' magic is involved, I do advocate using the salt itself also in each corner after spraying. You only need a few grains of salt, not a teaspoon full. Because you will vacuum your floor eventually, then replace that salt as you vacuum. The salt is very powerful, only a small pinch is necessary.

I use water and oil to bless the top of my head, my ears, my eyelids, my nose, my mouth, the nape of my neck where the skull meets the neck, the base of the spine (about waist level), my navel area, both hands and both feet. This clears all negative spiritual influence and allows me to think, see and hear clearly and also begin to heal from the attack. It is also good, if you have been under heavy attack, to put a pinch of salt in your bathtub and totally immerse yourself several times into the water to completely clear yourself and use the oil afterwards to anoint those areas I just named to seal yourself from further personal attack. Especially is some sort of witchcraft is involved.

Then I say a deliverance prayer. I say this every day, at least one short prayer. If they're short, it's easy to do quickly. Sprinkle blessed salt in your car, put some in your purse or wallet, even a few grains in your right pocket will help. Carry blessed salt with you to keep you safe all day long. Remember to anoint your phone and even your phone and desk at work with the blessed oil.

You don't need to cleanse your home every day. You can, of course reapply if you notice activity picking up. Oil doesn't dissipate, salt does not change chemical nature (used like this) and neither does water. The one personal thing I do every day is reapply the Holy Water or blessed oil to my forehead after a shower. Then blot most of it off. That's it. And you're blocking all satanic input and the traveling demon show. No more constant influx of traffic in and about your mind, body, home, vehicle or even your office. I often spray one spray daily in each room of my house to clear the energy field of the home also. This keeps the house de-ionized and does not allow negative entities to 'recharge' themselves so easily in your home. Very important to not give them a source of energy to feed on.

For your property, if, in your situation, there has been witchcraft involved, back it off first by sprinkling Holy Water and Blessed salt counterclockwise around your property line. Make the sign of the cross on your sidewalk or on the ground (put a small stake to tell you where you began if on bare ground) and proceed around the property ending where you began by completing the barrier 'crossing the cross' so that it is complete and firm. Then begin again, this time taking the Holy Water and Blessed salt clockwise until you again seal the boundary line. It is important to lay this barrier as all inside the barrier will be kept clear of influence by negative

DO IT YOURSELF INSTRUCTIONS FOR CLEANSING YOUR HOME AND PROPERTY AND YOURSELF.

entities. If there is no witchcraft involved, simply do this one time clockwise. You may have to reapply from time to time if the salt is washed away.

Many times I will prepare 4 small cloth bags and place blessed salt in them, then bury one at each of the four corners of the property about a foot and a half deep. This way the salt stays in place to set a perimeter of protection. You can also place a blessed crucifix or cross in the bag if you choose.

Now you might think that's raving mad, just superstitious and silly. I say to you, "If water, oil and salt doesn't work, then why did the 12 Tribes of Israel, Jesus and the Apostles use it?" Because the Word of God is eternal. It worked then, it works now. Try it. You'll see. Things will drastically improve in your life. Your health, both mental and physical, and even the behavior and mood of those around you will get better, even those on drugs or alcohol.

Remember, anyone can do this. It does not matter what faith you practice or even if you believe at all. This is a gift from God for all mankind. If you need help, just do this. You will find immediate relief. And it will NOT make things worse. Truly. It is the only thing I know that does not usually worsen your situation, but gives you clarity and freedom instead. Remember that if in fact, activity does increase in intensity or happens more often, contact me immediately.

VERY IMPORTANT: Negative entities thrive in situations where there is a lot of negative emotion. Do not fight or quarrel in your home if possible. Try to understand that everyone else in the home is exhausted and tired also and be more charitable and gracious towards each other. It would be good to pray together at least once a day, even if only to say grace at your mealtime. Having someone read a Bible verse is also good. Remind these negative energies that God is in charge, they are not.

HOUSE BLESSING:

*The initials of the Magi are inscribed upon the doors with the blessed chalk. (The initials, C, M, B, can also be interpreted as the Latin phrase "**Christus mansionem benedicat**" which means "**Christ bless this house**".)*

*Example: **20 + C + M + B + 10*** (The 20 in the beginning and the 10 at the end are the YEAR of the blessing. So this year would be 20 + C + M + B + 13. Next year write 14 and so forth. The + sign means the sign of the cross.

Writing this blessing protects an area of 20 feet around where blessing is placed. You can write this on every door in your house if you wish. You can use washable crayons or markers or chalk. Please have them blessed though. If you have no minister nearby or don't know one, you can take them to a nearby Catholic Church to the rectory. You may have to leave them there for the priest to bless, but he will do that. It is also good to give a small donation at that time if you can afford it.

If there is no church nearby, pray earnestly this blessing prayer.

Loving God, bless this chalk which you have created, that it may be helpful to your people; and grant that through the invocation of your most Holy Name all those who with it write the names of your saints, Caspar, Melchior, and Balthazar, may receive health of body and protection of

DO IT YOURSELF INSTRUCTIONS FOR CLEANSING YOUR HOME AND PROPERTY AND YOURSELF.

soul for all who dwell in the homes where this chalk is used, we make this prayer through Jesus the Christ. Amen.

The initials of the Magi are then inscribed upon the inside of the doors with the blessed chalk (washable crayon or washable marker). (The initials, C, M, B, can also be interpreted as the Latin phrase "Christus mansionem benedicat" which means "Christ bless this house".) This blessing is usually done at Epiphany around the first part of each New Year, but can actually be done at any time to bless your home.

Jesus said "Whatever you ask the Father in my name, I will do it, that the Son may glorify the Father." Jesus always said for us to pray to the Father in his name. This is very important to remember.

Handling Cursed or Infested Items.

First and most important rule!! Never break, burn or smash items you think may be cursed or infested!! "If you have a glass of water and break it, the water goes everywhere." Objects can become containers, no matter if it's just a piece of paper. BURY, DO NOT TEAR OR BURN. You can also drop cursed objects in a deep river just weight it down first. Running water will keep it from surfacing. Do not do this with items that can contaminate the water or large items. Break them up and bury them safely.

Telephones:

If you are having a problem with strange unsettling calls or your phone rings, even if is not plugged in, or...you answer and strange sounds or voices issue from your phones...take these steps.

Note: When blessing objects or even yourself, apply the oil or water to your thumb. Do not spray or pour. Electrical shock or even in some cases fire can result from spraying or pouring liquid onto electrical items or items that are near electrical plugs or equipment. Use scotch or other tape to hold salt onto item. Place the salt on the tape first, then secure to the item.

1. Bless all the phone lines coming into the house and those that proceed to each phone.

If you have remote phones, bless the line to the base as well as the electrical cord (not near the outlet but further down the cord to prevent shock). Use Holy Water and Blessed Oil to do this, making the sign of the cross on each cord or plug in as well as your phones themselves. Say the blessing 'In the name of the Father+, the Son+ and the Holy Spirit+ each time you make the sign of the cross with the water and oil. You may also put a few grains of salt under the base or on a piece of scotch tape and tape it to the base. Always 'clear' your ear and forehead with some Holy Water after getting such calls and also use a bit of blessed oil to 'seal' your ears from further abuse.

2. You may also use this technique to clear your television sets or other electronics in your home.

DO IT YOURSELF INSTRUCTIONS FOR CLEANSING YOUR HOME AND PROPERTY AND YOURSELF.

Shiny Surfaces:

Many times entities or spirits will attach themselves to shiny objects; mirrors, shiny silver, anything that reflects light. They realize your eyes are drawn to sparkle or reflections. Use Holy Water to clear with the blessing listed above, and blessed oil directly to the glass on the mirror to seal these objects from further infestation. Sometimes you may have to actually remove a mirror from your home. Do not break it or destroy it in the process. Take it off your property completely and bury it if possible. It must be covered with white cloth if you are going to destroy it, but even then, that is not a good idea.

Cursed or Infested Objects of Any Kind:

To RID yourself of a cursed or infested object, (hopefully it is small) get a white garbage bag and wearing gloves, place it inside. Tie the bag shut using string, cord or thread, wrapping the cord and tying a knot each time for a total of three wraps and three knots, making the sign of the cross over each knot and saying the blessing. Then make the sign of the cross on the outside of the bag with blessed oil and bury the bag off your property. After filling the hole, sprinkle the ground with Holy Water. "A cord of three strands is not quickly broken." – Ecclesiastes 4:12 By wrapping the cord three times around the bag and knotting three times, it makes a very strong bond to bind the evil inside the bag. In this case I view the "three" as the Trinity as did Saint Patrick of Ireland.

If the object is large, such as a dresser, bookcase or piano, it is best to take it off your property, carefully dismantle the item and bury the pieces together in a hole, first anointing the item pieces by spraying them with Holy Water, then covering the hole with dirt and topping the dirt with more Holy Water. Do NOT keep any piece from the item for any reason. IF you cannot dismantle the item, bless it with blessed water and oil and take it to a junkyard or dump and use some paint to write "cursed" on it. You cannot control everything about how all this stuff goes. Just do the best you can. But do not just abandon it alongside the road somewhere. Every time you or anyone else goes down that road you could be subject to attack.

Items of Antiquity: (Museum quality or other valuable items)

Bag and knot them if small, or, if large, simply donate them whole without spraying water or oil on them, to a local public State or Federal owned and run museum, not a private one run for profit. Once they reach the museum and are taken out of the bag, whatever spirit or entity or curse is attached to the object will simply return to the place or land from which it originated. A State or Federal museum is public domain and being such, there is no particular person that takes personal ownership over the contents. Were you to give it to a museum personally owned and run or run by a local lodge or group for profit, the spirit or entity or even the curse could stay on the property as it becomes 'enslaved' to its new master. Better to let it go back to the land of public domain without incident.

I hope this information will help all of you. I will continue to add to this, as I find more material you may need. If you have a specific question, please ask it on the Contact Form on the Home Page. I will contact you and update the instructions on this page.

IN RESPONSE to the question of use of Catholic Sacramentals by Protestants:

DO IT YOURSELF INSTRUCTIONS FOR CLEANSING YOUR HOME AND PROPERTY AND YOURSELF.

I found this article on the internet. I think it explains the answer to this question very well.

SACRAMENTALS FOR NON-CATHOLICS

J. Neville Ward, a Methodist minister, praises the Rosary as an excellent aid to prayer and meditation in his most edifying book, "Five For Sorrow Ten For Joy." He states that Protestants lost much in not adopting this traditionally Catholic method of devotion.

Dr. James A. Beebe, a Methodist theologian, says that Protestant prayer suffered because it lacked a system of controlled meditation. He said that the Catholic Rosary, with its definite symbols, held the mind, and he urged other churches to utilize this method of prayer. Many other Protestants have discovered the priceless treasure of the Rosary and the Scapular.

For example, a former Protestant minister, Max Broussard, after reading "The Secret of the Rosary" and "The Sign of Her Heart", was so edified that he accepted the Brown Scapular, taught himself how to pray the Rosary, made Rosaries and Scapulars and inspired other Protestants to accept these sacramentals. To make a long story short - he is now a Roman Catholic pastor in the Diocese of Lafayette, La., U.S.A. This being so, why should we not share these grace-giving sacramentals with our Protestant friends? They are more readily accepted than most people think.

The Pilgrim Virgin Statue of Our Lady of Fatima that traversed the world have been received with reverence and honor amongst Muslims, Hindus, Buddhists and people of other non-Catholic faiths. Entire Buddhist villages asked to be allowed to venerate the statue in 1975. Their own bonzes, or Buddhist monks, led them in these demonstrations of love for Mary.

It is unfortunate that some in the Church today feel that these traditional devotions of the Rosary and the Scapular should be minimized as though they were a hindrance to the pure Christian life, or a hindrance towards union with our separated brethren to whom these devotions are not so well known.

<http://www.catholicapologetics.info/library/prayers/Weapons.htm>

Blessed Medals of Saints or other blessed items are efficacious not because of the Catholic Church itself, but because of the Apostle Paul. In the New Testament it talks about how when Paul dropped a handkerchief or piece of clothing or anything personal, people who picked it up were healed and blessed.

As none of the apostles had any money to buy new items to replace those they dropped, it soon became the custom for people to ask Paul and the other apostles to bless items they brought to them. They then placed these items in their homes, on their persons or used them to heal the sick in their families. That is where this custom originated. Not in Catholic dogma, but from writings in the Bible and also by the early Church fathers speaking of this custom. So it is a Christian thing, not simply one church's custom.

Paul also says not to even touch the garment of someone you know is evil as the evil will then come into you. He says to stay away from those people and not immerse yourself in evil practices. So you see, it is not only blessed items of God that transfer power, but those who 'using blessings that are not godly' can also put energy on things that can hurt you instead of help you. Be careful who you go to in times of trouble or your trouble may be compounded by your acceptance of anything they hand you, anything you touch while there or pick up that they may have touched. I cannot stress this enough.

DO IT YOURSELF INSTRUCTIONS FOR CLEANSING YOUR HOME AND PROPERTY AND YOURSELF.

If you pray over something and thank God for it, before touching it, you will know in your heart if it is then safe to eat or to touch. I am very careful myself about what I 'receive' from others who may not believe as I do. This is a common trick of demonic forces to enter into someone who is not paying attention to their surroundings.

PLEASE READ: A quick note on drugs that are being brought into this country via the Cartels. Many prayers, blessings and curses are placed on Marijuana, Cocaine, Heroin, and other drugs that seem innocent. Do not use drugs you know are supplied from these sources as it opens you to demonic forces of serious bondage. I have seen many situations where this is the only door people have opened.

The hand sign with the two middle fingers down, the index and little finger up is a very old Satanic symbol. People now think it means "rock on" or something similar, but I can tell you that the first rock bands to use this symbol and propagate it's use knew exactly what they were saying. And many public figures also realize what this symbol means. Not all people who use this symbol do know, but many people that you would not consider flashing a Satanic sign truly do know that it is Satanic and use it on purpose. So don't use that hand sign if you're trying to get your life back from demonic influence. It will simply open you up again to domination.

Trust me on this...the true Satanists have an agenda so don't fall into it thinking you know what something means.
